

Sustainable Ranch Management through Business Planning and Monitoring: A Workshop

**Thursday,
February 10, 2011**

8am to 5pm

Register now by selecting this special, "optional event" on your SRM meeting registration! Advance registration is just \$15, including lunch.

Gallatin Room

**Holiday Inn - Grand
Montana**

Billings, MT

Support provided by:

Extension specialists, agency personnel, rangeland management consultants and other conservation professionals should plan to attend an innovative full-day workshop integrating ranch sustainability principles with monitoring, assessment, and business planning. Applications on federal allotments, as well as within the NRCS conservation program and planning context for private lands, will be addressed. The Wyoming Business Council process for developing a ranch business plan, as well as a framework for evaluation of rangeland ecosystem services as alternative income streams, will be presented. For additional information, please visit:
