

# Sustainable Ranch Management through Business Planning and Monitoring: A Workshop

**Wednesday,  
July 25, 2012**

**8:30am to 3:30pm**

**Space is limited so please select this event on your SWCS registration now! The workshop costs \$40 with full SWCS conference registration. Without full SWCS conference registration, the workshop cost is \$60 before June 3 and \$80 after that date.**

**Organized as part of the Soil & Water Conservation Society Annual Meeting at the Worthington Renaissance Hotel, Fort Worth, TX**

Support provided by:

*Extension specialists, agency personnel, rangeland management consultants and other conservation professionals should plan to attend an innovative 3/4-day workshop integrating ranch sustainability principles with monitoring, assessment, and business planning. Applications on federal allotments, as well as within the NRCS conservation program and planning context for private lands, will be addressed. The Wyoming Business Council process for developing a ranch business plan, along with a framework for evaluation of rangeland ecosystem services as alternative income streams, will be presented. For additional information, please visit:*
